

## **Fan/Spectator Policy**

Region I schools will not tolerate the use of foul or abusive language, insulting gestures, taunting, or intimidation of any official, coach, athlete, or spectator during sporting events. If conduct is found to be inappropriate the administration of the hosting school will give the spectator a Yellow Card, which is a warning. If the inappropriate behavior continues, the spectator will be ejected from the contest by receiving a Red Card. After any ejection from a sporting event, the spectator will be suspended for the next contest. Spectators who receive a yellow card will have their name filed with the Region 1 Athletic Directors.

Attendance at all sporting events is a privilege.

Let's all Promote Good Sportsmanship.
