Werner and Ina Veil Education Scholarship 2024/ 2025/ 2026/ 2027 (circle year applied)

Werner and Ina Veil were long-time residents in the area and both served the school district for many years, Werner as a math teacher and elementary principal and Ina as a para-professional. Having begun their careers teaching in a one-room schoolhouse, they valued higher education in themselves, their children and students they worked with. In support of these values, their family wishes to grant a graduating senior \$500 toward their pursuit of an education degree, child care certification or related field. Preferences given to need, references, essay describing goals over academic achievement, as Werner and Ina valued all learners.
