Dear SC Family,

Sargent Central Public School receives federal funds for Title I programs that are part of the Every Student Succeeds Act (ESSA). Under ESSA, you have the right to request information regarding the professional qualifications of your child's classroom teacher(s).

As always, we want to keep our parents informed on the quality education we deliver and sharing staff qualifications is an excellent way to illustrate our commitment to our students. The staff at any school defines the education environment, and we are devoted to finding the best quality teachers and paraprofessionals to work with your children to ensure our school is a place where they can succeed.

Through federal education law, parents have the right to request information on the professional qualifications of the teachers and paraprofessionals at our school. If you are interested in learning this information, please contact the school at (701) 724-3205. Upon this request, you will receive a detailed explanation of the licensing, education, and experience of each of our teachers. You will also receive information regarding the names and qualifications of the paraprofessionals at our school.

In addition, if at any time during the school year a teacher who is not highly qualified for four or more consecutive weeks teaches your child, you will receive timely notice from the school.

Thanks,
